CALFED  
BAY-DELTA  
PROGRAM

# Public Comment

Date Aug 23-99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I am against sending any more water to southern Calif. They are an abusive overindulgent lot. They need to be taught water conservation. Since the periferal canal was built they cont to use water freely letting it run down gutters from over flowing fountains. while northern Calif. suffers with water restrictions and watching our fish and game dry up and die.
